Mr. Seal, I know
you think simone is
being crazy, but
simone found
hundreds of
documents
outlining everything
that has been
done, and it is
remakable and
extensive. She
reached out to your
brother and sister
in hopes of figuring
out how to tell you

not hearing from
them. I dont mean
to be mixed up or
the

bearer of bad news,
but you need to see
these things in
person for yourself.
I wouldnt believe it
was pissible if I
hadnt seen it
myself.

They came from a locked part of her desk, as well as a giant trunk in the basement. Simone also has something to tell you that she hasn't been able to tell

Attached is a copy of the letter you sent my husband and I on July 31, 1997. There seems to be a discrepancy between your records and those of the Social Security office. According to my Social Security card, a copy of which I will attach to this letter, my name is Ruma Y. Hill. However, when calling the SS office and work, it appears that they have my name in their computer as Ruma Van Hill, Van being the middle name.

My legal name is Ruma Van Hill, Van Hill being my last name with NO middle name. My social security number is 516-16-7142. I am married to Ronald T. Seal, SSN 177-26-5516. However, I have not, and will not, be changing my last name.

I call about every year since 1986. I've had this problem between your records and those of the SS office. Every year I make a trip down there (SS office) to correct it once and for all, correct their records, to no avail. It is probably to avoid this situation that I have moved to my husband's family, not to gain, but to lose my name when I get married. It is just good that I have you.

I will be paying the SS office a visit in the near future. I am sure that you will see that I am not a person who is trying to get ahead. I am just a person who is trying to get down in the SS office, which is a very difficult task. However, I don't want you to delay in getting this letter to the SS office. I am sure that you kindly change the name on my Social Security card to Ruma Van Hill, no middle name (that would be acceptable to both of us) and that you change my name on your records to Ruma Van Hill, no middle name. I am sure that you will see that I am not a person who is trying to get ahead.

I filed my return as Ruma Y. Hill, no middle name. I am sure that you will see that I am not a person who is trying to get ahead.
